WHAT	HOW
Aphrodisia and the secrets of the Kama Sutra	Created exclusively for Bijoux Indiscrets and inspired by an ancient recipe in the Kama Sutra, which combines roses, jasmine and ylang-ylang.
The messenger of pleasure	Rich in arginine, known as "the messenger of pleasure", this balm will reconnect you with your sensations. It relaxes your muscles while stimulating the microcirculation that's responsible for sensitivity. Arginine is considered the natural "viagra" of the skin.
An orgasmic combination	The result? More sensitivity and a greater response to stimuli and friction, which enhances orgasms and their intensity.
Reconnect with our sensations	Naturally exciting, Brazilian ginseng invigorates and de-stresses. It stimulates circulation and the muscles. It re-structures your skin, rejuvenating it and recovering its sensitivity.
Focus on what's important: your pleasure!	Apply a few drops on the clitoris, and wait a few minutes for it to absorb. You won't notice any tickling sensation, heat or cold, just MORE .
Quality Guaranty	Our products are manufactured in Spain. 100% plant based, with no parabens or mineral oils. Contains no sugar. Respectful of your skin and very pleasant to the touch, with a fast-absorbing, non-sticky texture.
More hygienic.	Even though it's in the form of a gloss, it is applied through a dispenser. Place the cream on your fingers, and then apply to your clitoris.
