Brilliant and kissable body powders

Brilliant and kissable body powders highlight your skin's natural beauty and turn you into the sweetest temptation. **Edible and delicious, with no sugar, lactose or gluten.**

Illuminate the places where his lips will meet your skin, and unleash your sweetest and most seductive side.

**Contents:** brilliant and "kissable" body powders (45 g / 1.58 oz.)

**3 available flavours:** Wild strawberry with honey, dark chocolate with citrus and salty caramel.

WHAT	HOW
Looking for a surprising gift?	Inspired by the powders of the divas of Hollywood, with its spectacular applicator, a giant puff, and the finest illuminating particles on the market, it's the perfect gift.
Seductive and sweet skin	Its starch base leaves your skin very soft, and its fine particles illuminate your skin with an iridescent effect and impregnate it with irresistible flavours. They highlight a tan and are perfect for illuminating your cleavage and shoulders.
Are they edible?	Yes. Their aromas are food grade and are ideal for tasting. Illuminate the areas where his lips will meet your skin.
All the glamour of loose powders without the mess.	Its dispenser makes the product easy to apply and allows controlling the amount you want to use. No powder will escape your control. The dispenser system is much more easy to use than regular loose powders. It allows you to apply the product little by little, controlling the amount you use. No mess on your bed or in your "boudoir".
Quality Guaranty	Our products are manufactured in Spain. They are 100% plant based, they have not been tested on animals, and they contain no parabens. They contain no lactose, sugar or gluten, and they are respectful of the skin.
Are you a seductive woman?	Try them in your cleavage, on your hair, your neck... and why not, combine them with the sexiest lingerie. He won't look you in the eyes ever again!
Illuminate your most intimate areas	Its natural ingredients mean that the powders can be applied in your intimate area. And since they contain no sugar or rice flour, they aren't sticky when you perspire.
