WHAT	HOW
An aphrodisiac fragrance	Aphrodisia, the exclusive aphrodisiac fragrance by Bijoux Indiscrets. Its formula, which was created exclusively for Bijoux Indiscrets, is a subtle and sensual perfume that combines roses, jasmine and ylang ylang.
Long-lasting	The formula is based on silicone allowing the product to have a longer duration and its 100ml multiply by 4 as you will use a much less amount than you would with a conventional oil or intimate gel.
1 product that does double duty	The formula and pleasant texture make it ideal for massages or use as an intimate gel. It can be used on intimate areas and with latex and condoms. <b>DO NOT</b> use with silicone toys.
Quality Guarantee	Our products are made in Spain. They are 100% vegan (no animal-derived products), have not been tested on animals and contain no parabens. The levels of fragrance are low so there is no risk of allergy.
Your sense of smell controls your pleasure	When this gel comes in contact with the skin, it warms up and releases its potent aroma, creating an atmosphere that is perfect for games couples can play together.
Alone or in company?	2 in 1 Aphrodisia is perfect for massages with your partner or for you to enjoy alone.
Underwater pleasure	This gel does not dissolve in water making it the perfect ally for your moments of pleasure in the water.
Your skin as smooth as silk	Respectful of the skin and very agreeable to touch, its formula will make your skin feel as smooth as silk. It is <b>NOT</b> edible.
9 out of 10 will surrender to this philter	Its sensual aroma is unisex and 9 out of 10 people who try it love it. The ingredients are natural aphrodisiacs, enhancing attraction.
